

new spaces @ work

OFFICE RENEW - Let me help you revitalizing your workplace so your business can thrive.

Laurent Deshusses

E

xperienced in all aspect of **Global Workplace Strategy:** Facilities, Real Estate, Security, Safety, Business Continuity Management, Design and Project Management with deep IT, technical knowledge. With a strong background in strategy and operations to meet local and global business needs.

- >I have developed and managed global Facilities, Security and safety services to support the core business of a large international group.
- >I have managed and delivered worldwide complex workplace projects.
- >With a real passion for Workplace Strategy to turn an office into a High Performance Workplace (more productive, innovative, sustainable)

DO YOU HAVE A **>FOCUS** HIGH PERFORMING WORKPLACE ?

>Create an agile workplace and give the choice to your employees to choose **where, when, and how** they want to work.

Agile Working is connecting people, workplace, and IT to allow working patterns.

(...and it works!)

"WE SHAPE OUR PLACES AND THEN OUR PLACES SHAPE US"
Winston Churchill
