To whom it may concern

Dear Sirs,

I'm taking the opportunity to present myself and to propose my experience and expertise in the area of **Global Workplace Strategy** and to let you know that I'm looking for a new challenge. I could offer my services either as an employee or as an independent consultant, please visit my web site: <http://www.lanico.com>

Experienced in all aspect of Global Workplace Strategy, Facilities, Real Estate, HSE, BCM, Project Management with deep IT, technical knowledge and with a strong background in strategy and operations.

- I developed and managed globally and locally the general services and processes to support the core business of the organization in all locations with my team Facilities of 8 people (Office Manager, Facility Officers, Assistant, Receptionists, and Security)

- I have managed and delivered worldwide turnkey workplace complex projects in Singapore, Geneva, New-York, Jakarta and Mumbai.

- With a real passion in Workplace Strategy to turn an office into a High Performance Workplace:

Work is now "Places to work, not workplaces" - New spaces @ work - Think in zones - Agility and Flexibility.

- Ability to work independently, in a proactive way and in a multicultural environment - Experience managing multiple Facility locations with concurrent projects - Drive and committed to excellence, flexible, creative, self-starter and strong leadership, initiative and decision-making skills - Excellent organizational and communication skill, detail and client oriented - Develop clear goals with agreed strategies, to anticipate future needs of business.
