## Thank you

Dear Mr. Deshusses,

On behalf of our fellow Board members, we would like to congratulate you once again on the successful move to Jargonnant! The project was kicked off in early 2010 and, despite the many challenges along the way, you delivered the project on time, on scope and on budget.

In appreciation and recognition of your hard work and dedication, the company is pleased to grant you a gross one-time top-up bonus payment  
Thank you for your unwavering commitment to creating a fantastic new working environment for your colleagues.

Sincerely yours,
