## The Mobile Worker

### NO OFF BUTTON

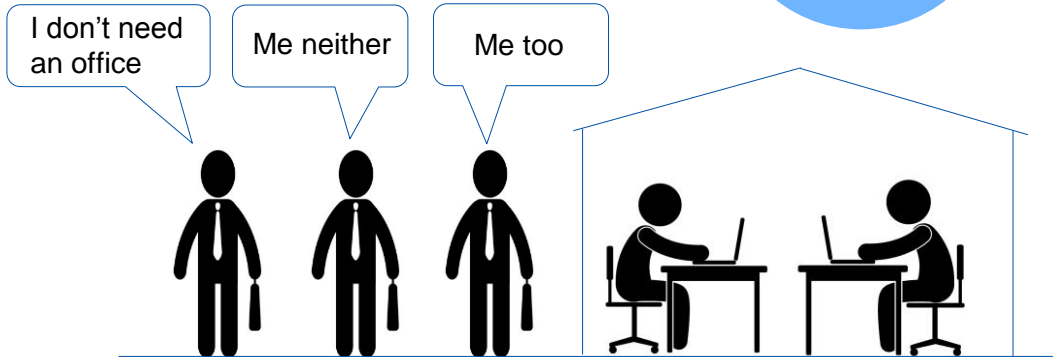

- >The rise of the mobile worker - Organisations need to change their definition of 'the office' as we enter the area of anytime, anywhere working.
- >Whatever the scenario, the fact is the 24/7 office is a reality, whether enforced or embraced, whether wanted or, quite frankly, needed. Welcome to the modern world.
- >There is no 'off' button.

### NOT NEED TO BE IN THE OFFICE

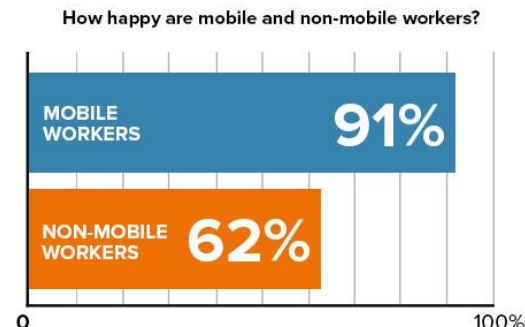

- >3 of 5 workers say they don't need to be in the office anymore to be productive.
- >Increasingly mobile - The current boom of digital is making remote work easy and efficient.

will the rise of mobile workers and virtual offices die the commercial real estate market?

- ✓ Be mobile
- ✓ Be Flexible
- ✓ Be connected
- ✓ Anywhere
- ✓ Anytime

## The Mobile Worker

### ADVANTAGES OF VIDEO CONFERENCING

- >Strengthens office relationships: Getting face time, better than just a phone call.
- >Save money: Save traveling cost
- >Time: Save time by not traveling
- >Productivity, Meet when needed, don't wait until next trip, meeting is scheduled
- >Convenience: With today's technology, it's easy to get connected everywhere.

### CHOOSE THE RIGHT SYSTEM

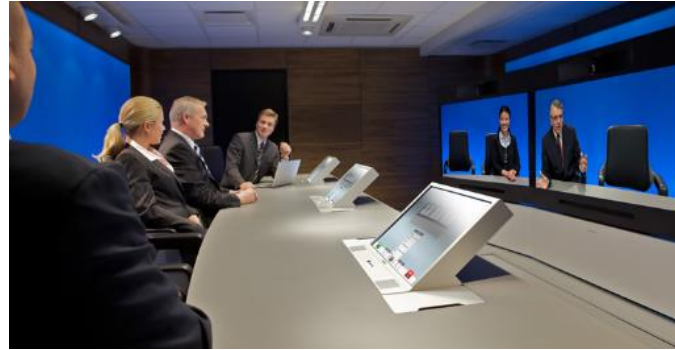

- >A workers with good tools will do a better job – Same idea in the office, if you have the right tool, you can be productive.
- >Empowering mobile workers: Choosing the right device. It has been recognized that employees like BYOD – Bring your own device and then you can customize you way you like.
- >Today's technology allow us virtually. Now teams can meet, collaborate, and stay productive anywhere, anytime, and on any mobile device or video system. Video conferencing system help you make decisions faster, with integrated audio, video and content sharing.
- >Save time and money by relying on highly secure and scalable mobile solutions meetings from the global Collaboration Cloud.
